1. This draft <sup>P</sup>from a <sup>2</sup>2 to a <sup>4</sup>4 because we did a partial redraft to <sup>3</sup>3 and then a final redraft to <sup>4</sup>4. We sometimes do this when a draft is large or complicated.

That said, this draft may not include all of the changes that you want. We were rushed at the time we discussed them, and the notes I received at that meeting do not always propose a solution to the issue. Please review the entire draft carefully.

2. In this redraft, I have made no changes in the appropriation structure. The draft still creates a tax gas formula and shifts money from the transportation fund into the off-highway motorcycle (OHM) appropriations. Redrafting will need to be done to ensure that if 2013 Assembly Joint Resolution 2 (the proposed amendment to the state constitution that limits the use of moneys from the transportation fund) is ratified, the draft will not violate the state constitution.

3. Please note how I have changed the scope of the prohibition in s. 23.335 (2) (a). In earlier versions of this draft, the scope was too narrow because it did not require registration for operation <sup>of</sup> off-highway <sup>motorcycles</sup> in areas that were not an OHM trail, route, or other corridor.

4. Also, please note how I have changed the provisions related to the intoxicated operation of an OHM. See s. 23.335 (12) (d). As now drafted, <sup>the</sup> OHM intoxicated operation law <sup>only</sup> <sup>applies</sup> apply to OHMs being operated on trails and routes, corridors, and other areas that are open for recreational use of OHMs and to limited use OHMs when they are authorized to be on a highway for limited purposes. If a OHM is registered by DOT and being operated <sup>on</sup> the highway, the intoxicated operation law that applies to regular motor vehicles will apply. <sup>a</sup>

5. In your review of the entire draft, please note how sometimes "limited use off-highway motorcycle" and sometimes just "off-highway motorcycle" is used. Remember that a limited use OHM is just an OHM that is not registered with DOT, not one that it is impossible to register with DOT.

6. I have taken out any provisions relating to using OHMs for agricultural purposes or for driving livestock. If OHMs are used for these purposes, please let me know and I will put those provisions back into the draft.

7  
X  
+  
8. I have rewritten some of the provisions relating to the sales and other transfers of ownership. These are found in ls. 23.335 (3) (b) to (d).

1. This draft went from a /P2 to a /P4 because we did a partial redraft to /P3 and then a final redraft to /P4. We sometimes do this when a draft is large or complicated.

That said, this draft may not include all of the changes that you want. We were rushed at the time we discussed them, and the notes I received at that meeting do not always propose a solution to the issue. Please review the entire draft carefully.

4. Also, please note how I have changed the provisions related to the intoxicated operation of an OHM. See s. 23.335 (12) (d). As now drafted, the OHM intoxicated operation law only applies to OHMs being operated on trails and routes, corridors, and other areas that are open for recreational use of OHMs and to limited use OHMs when they are authorized to be on a highway for limited purposes. If an OHM is registered by DOT and being operated on a highway, the intoxicated operation law that applies to regular motor vehicles will apply.

## PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

Regarding the highlighted statutes on this page. As mentioned earlier, the ATV association has concerns about "opening" their statutes by including them in this legislation. It is their preference that use whatever content we need, but instead of renumbering or getting involved in the ATV statute that we create new content separately as part of the OHM legislation. Some examples are on page 7 of this draft.

12 closed to off-highway motorcycle operation or on which the operation of an  
13 off-highway motorcycle is prohibited by law.

The crossing of a roadway is authorized only if the crossing is done in the most direct manner practicable, if the crossing is made at a place where no obstruction prevents a quick and safe crossing, and if the operator stops the limited use off-highway motorcycle prior to entering the crossing and yields the right-of-way to any other vehicles, pedestrians, or electric personal assistive mobility devices that are using the roadway.

2. Operation is necessary to cross a bridge, culvert, or railroad right-of-way. The crossing of a bridge, culvert, or railroad right-of-way is not authorized if the

1 roadway is officially closed to off-highway motorcycle traffic. The crossing is  
2 authorized only if the crossing is done in the most direct manner practicable, if the

4 and if the operator stops the limited use off-highway motorcycle prior to entering the  
5 crossing and yields the right-of-way to any other vehicles, pedestrians, or electric  
6 personal assistive mobility devices that are using the roadway.

2 of the local governmental unit being blocked off.

3 (c) *Freeways.* No person may operate a limited use off-highway motorcycle on  
4 any part of any freeway which is a part of the federal system of interstate and defense

12 or an off-highway motorcycle trail without any restriction on how close the limited  
13 use off-highway motorcycle is to the roadway.

14 2. A person may operate an off-highway motorcycle for recreational purposes  
15 adjacent to a roadway of a U.S. numbered highway, a state highway, or a county

25 of the following applies:

1           a. The off-highway motorcycle is being operated during hours of daylight.

2           b. The off-highway motorcycle is being operated during hours of darkness and  
3 the off-highway motorcycle route or off-highway motorcycle trail is located at least  
4 40 feet from the roadway or is separated from the roadway by a head lamp barrier.

6 off-highway motorcycle route adjacent to a roadway shall comply with the speed  
7 limits of the adjacent roadway and with rules promulgated by the department and  
8 approved by the department of transportation.

9           (12) INTOXICATED OPERATION. (a) *Operation.* 1. No person may operate an  
10 off-highway motorcycle while under the influence of an intoxicant to a degree which  
11 renders him or her incapable of safe operation of the off-highway motorcycle.

12           2. No person may engage in the operation of an off-highway motorcycle while  
13 the person has an alcohol concentration of 0.08 or more.

14           3. If a person has not attained the age of 21, the person may not engage in the  
15 operation of an off-highway motorcycle while he or she has an alcohol concentration  
16 of more than 0.0 but not more than 0.08.

17           4. A person may be charged with and a prosecutor may proceed upon a  
18 complaint based upon a violation of any combination of subd. 1. or 2. for acts arising  
19 out of the same incident or occurrence. If the person is charged with violating any  
20 combination of subd. 1. or 2., the offenses shall be joined. If the person is found guilty  
21 of any combination of subd. 1. or 2. for acts arising out of the same incident or  
22 occurrence, there shall be a single conviction for purposes of sentencing and for  
23 purposes of counting convictions under sub. (21) (c) 2. and 3. Subdivisions 1. and 2.  
24 each require proof of a fact for conviction which the others do not require.

1           (b) *Operation causing injury.* 1. No person while under the influence of an  
2           intoxicant to a degree which renders him or her incapable of safe operation of an  
3           off-highway motorcycle may cause injury to another person by the operation of an  
4           off-highway motorcycle.

5           2. No person who has an alcohol concentration of 0.08 or more may cause injury

8           complaint based upon a violation of any combination of subd. 1. or 2. for acts arising  
9           out of the same incident or occurrence. If the person is charged with violating any  
10          combination of subd. 1. or 2. in the complaint, the crimes shall be joined under s.  
11          971.12. If the person is found guilty of any combination of subd. 1. or 2. for acts  
12          arising out of the same incident or occurrence, there shall be a single conviction for  
13          purposes of sentencing and for purposes of counting convictions under sub. (21) (c)  
14          2. and 3. Subdivisions 1. and 2. each require proof of a fact for conviction which the  
15          others do not require.

16          4. In an action under this paragraph, the defendant has a defense if he or she  
17          proves by a preponderance of the evidence that the injury would have occurred even  
18          if he or she had been exercising due care and even if he or she did not have an alcohol  
19          concentration of 0.08 or more.

20          (c) *Implied consent.* Any person who engages in the operation of an  
21          off-highway motorcycle upon the public highways of this state, or in those areas  
22          enumerated in par. (d), is considered to have given consent to provide one or more  
23          samples of his or her breath, blood, or urine for the purpose of authorized analysis  
24          as required under pars. (f) and (g). Any person who engages in the operation of an  
25          off-highway motorcycle within this state is considered to have given consent to

2 purpose of authorized analysis as required under pars. (f) and (g).

3 (d) *Applicability of law.* The intoxicated operation of an off-highway

6 corridor or any off-highway motorcycle route.

7 2. The operation of any off-highway motorcycle on other premises or areas  
8 located off the highways that are held out to the public for the recreational use of

14 authorized under sub. (11).

15 (e) *Preliminary breath screening.* 1. A person shall provide a sample of his or  
16 her breath for a preliminary breath screening test if a law enforcement officer has  
17 probable cause to believe that the person is violating or has violated the intoxicated  
18 operation of an off-highway motorcycle law and if, prior to an arrest, the law  
19 enforcement officer requested the person to provide this sample.

20 2. A law enforcement officer may use the results of a preliminary breath  
21 screening test for the purpose of deciding whether or not to arrest a person for a  
22 violation of the intoxicated operation of an off-highway motorcycle law or for the  
23 purpose of deciding whether or not to request a chemical test under par. (f).  
24 Following the preliminary breath screening test, chemical tests may be required of  
25 the person under par. (f).

1           3. The result of a preliminary breath screening test is not admissible in any  
2 action or proceeding except to show probable cause for an arrest, if the arrest is  
3 challenged, or to show that a chemical test was properly required of a person under  
4 par. (f).

5           4. There is no penalty for a violation of subd. 1. Subsection (21) (a) and the  
6 general penalty provision under s. 939.61 do not apply to the violation.

7           (f) *Chemical tests; requirement.* 1. A person shall provide one or more samples  
8 of his or her breath, blood, or urine for the purpose of authorized analysis if he or she  
9 is arrested for a violation of the intoxicated operation of an off-highway motorcycle  
10 law and if he or she is requested to provide the sample by a law enforcement officer.  
11 A person shall submit to one or more chemical tests of his or her breath, blood, or  
12 urine for the purpose of authorized analysis if he or she is arrested for a violation of  
13 the intoxicated operation of an off-highway motorcycle law and if he or she is  
14 requested to submit to the test by a law enforcement officer.

15           2. A law enforcement officer requesting a person to provide a sample or to  
16 submit to a chemical test under subd. 1. shall inform the person of all of the following  
17 at the time of the request and prior to obtaining the sample or administering the test:

18           a. That he or she is deemed to have consented to tests under par. (c).

19           b. That a refusal to provide a sample or to submit to a chemical test constitutes  
20 a violation under par. (h) and is subject to the same penalties and procedures as a  
21 violation of par. (a) 1.

22           c. That in addition to the designated chemical test under par. (g) 2., he or she  
23 may have an additional chemical test under par. (g) 4.

24           3. A person who is unconscious or otherwise not capable of withdrawing  
25 consent is presumed not to have withdrawn consent under this paragraph, and if a

1 law enforcement officer has probable cause to believe that the person violated the  
2 intoxicated operation of an off-highway motorcycle law, one or more chemical tests  
3 may be administered to the person without a request under subd. 1. and without  
4 providing information under subd. 2.

5 (g) *Chemical tests; procedures.* 1. Upon the request of a law enforcement officer,  
6 a test facility shall administer a chemical test of breath, blood, or urine for the  
7 purpose of authorized analysis. A test facility shall be prepared to administer 2 out  
8 of 3 of these tests for the purpose of authorized analysis. The department may enter  
9 into agreements for the cooperative use of test facilities.

10 2. A test facility shall designate one chemical test of breath, blood, or urine  
11 which it is prepared to administer first as the primary test for the purpose of  
12 authorized analysis.

13 3. A test facility shall designate another chemical test of breath, blood, or urine,  
14 other than the test designated under subd. 2., which it is prepared to administer as  
15 an additional chemical test for the purpose of authorized analysis.

16 4. If a person is arrested for a violation of the intoxicated operation of an  
17 off-highway motorcycle law or is the operator of an off-highway motorcycle involved  
18 in an accident resulting in great bodily harm to or the death of someone and if the  
19 person is requested to provide a sample or to submit to a test under par. (f) 1., the  
20 person may request the test facility to administer the additional chemical test  
21 specified under subd. 3.. or, at his or her own expense, reasonable opportunity to have  
22 any qualified person administer a chemical test of his or her breath, blood or urine  
23 for the purpose of authorized analysis.

24 5. If a person is arrested for a violation of the intoxicated operation of an  
25 off-highway motorcycle law and if the person is not requested to provide a sample

1 or to submit to a test under par. (f) 1., the person may request the test facility to  
2 administer a chemical test of his or her breath or may request, at his or her own  
3 expense, a reasonable opportunity to have any qualified person administer a  
4 chemical test of his or her breath, blood, or urine for the purpose of authorized  
5 analysis. If a test facility is unable to perform a chemical test of breath, the person  
6 may request the test facility to administer the chemical test designated under par.  
7 (f) 2. or the additional chemical test designated under par. (f) 3.

8 6. A test facility shall comply with a request under this paragraph to  
9 administer any chemical test it is able to perform.

10 7. The failure or inability of a person to obtain a chemical test at his or her own  
11 expense does not preclude the admission of evidence of the results of a chemical test  
12 required and administered under par. (f) or (g).

13 8. A chemical test of blood or urine conducted for the purpose of authorized  
14 analysis is valid as provided under s. 343.305 (6). The duties and responsibilities of  
15 the laboratory of hygiene, department of health services, and department of  
16 transportation under s. 343.305 (6) apply to a chemical test of blood or urine  
17 conducted for the purpose of authorized analysis under pars. (f) and (g). Blood may  
18 be withdrawn from a person arrested for a violation of the intoxicated operation of  
19 an off-highway motorcycle law only by a physician, registered nurse, medical  
20 technologist, physician assistant, or person acting under the direction of a physician,  
21 and the person who withdraws the blood, the employer of that person, and any  
22 hospital where blood is withdrawn have immunity from civil or criminal liability as  
23 provided under s. 895.53.

24 9. A test facility which administers a chemical test of breath, blood, or urine  
25 for the purpose of authorized analysis under pars. (f) and (g) shall prepare a written

1 report which shall include the findings of the chemical test, the identification of the  
2 law enforcement officer or the person who requested a chemical test, and the  
3 identification of the person who provided the sample or submitted to the chemical  
4 test. The test facility shall transmit a copy of the report to the law enforcement officer  
5 and the person who provided the sample or submitted to the chemical test.

6 (h) *Chemical tests; refusal.* No person may refuse a lawful request to provide  
7 one or more samples of his or her breath, blood, or urine or to submit to one or more  
8 chemical tests under par. (f). A person shall not be considered to have refused to  
9 provide a sample or to submit to a chemical test if it is shown by a preponderance of  
10 the evidence that the refusal was due to a physical inability to provide the sample  
11 or to submit to the test due to a physical disability or disease unrelated to the use of  
12 an intoxicant. Issues in any action concerning violation of par. (f) or this paragraph  
13 are limited to the following:

14 1. Whether the law enforcement officer had probable cause to believe the  
15 person was violating or had violated the intoxicated operation of an off-highway  
16 motorcycle law.

17 2. Whether the person was lawfully placed under arrest for violating the  
18 intoxicated operation of an off-highway motorcycle law.

19 3. Whether the law enforcement officer requested the person to provide a  
20 sample or to submit to a chemical test and provided the information required under  
21 par. (f) 2. or whether the request and information was unnecessary under par. (f) 3.

22 4. Whether the person refused to provide a sample or to submit to a chemical  
23 test.

24 (i) *Chemical tests; effect of test results.* The results of a chemical test required  
25 or administered under par. (f) or (g) are admissible in any civil or criminal action or

1 proceeding arising out of the acts committed by a person alleged to have violated the  
2 intoxicated operation of an off-highway motorcycle law on the issue of whether the  
3 person was under the influence of an intoxicant or the issue of whether the person  
4 had alcohol concentrations at or above specified levels. Results of these chemical  
5 tests shall be given the effect required under s. 885.235. Paragraphs (f) to (h) do not  
6 limit the right of a law enforcement officer to obtain evidence by any other lawful  
7 means.

8 (j) *Report of arrest to department.* If a law enforcement officer arrests a person  
9 for a violation of the intoxicated operation of an off-highway motorcycle law or the  
10 refusal law, the law enforcement officer shall notify the department of the arrest as  
11 soon as practicable.

12 (k) *Release of persons arrested.* 1. A person arrested for a violation of the  
13 intoxicated operation of the off-highway motorcycle law may not be released until  
14 12 hours have elapsed from the time of his or her arrest or unless a chemical test  
15 administered under par. (a) 1. or 2. shows that the person has an alcohol  
16 concentration of 0.05 or less, except as provided in subd 2.

17 2. A person arrested for a violation of the intoxicated operation of the  
18 off-highway motorcycle law may be released to his or her attorney, spouse, relative,  
19 or other responsible adult at any time after arrest.

21 *of age.* No person under 12 years of age may operate an off-highway motorcycle on  
22 a roadway under any circumstances and may not operate an off-highway motorcycle  
23 off a roadway unless he or she is operating a small off-highway motorcycle and he  
24 or she is accompanied by a parent or guardian or by a person who is at least 18 years  
25 of age who has been designated by the parent or guardian.

1 (b) *At least 12 years of age.* No person who is at least 12 years of age and born  
2 after January 1, 1998, may operate a limited use off-highway motorcycle unless the  
3 person holds a valid certificate issued by the department or by another state or a  
4 province of Canada.

5 (c) *Exemptions.* 1. The restrictions under pars. (a) and (b) do not apply to the  
6 operation of a limited use off-highway motorcycle on private property if the owner  
7 of the property has given consent for the operation and does not hold the property  
8 out to the public for use of off-highway motorcycles.

9 2. The restriction under par. (a) does not apply to a person who is operating an  
10 off-highway motorcycle at an off-highway motorcycle event sponsored by a local  
11 governmental unit, by an off-highway association, as defined in s. 23.336 (1) (d), or  
12 by a similar organization that is approved by a local governmental unit, who is

When a person is not required to obtain a safety certificate, that person cannot be negligent for failing to do so. *Hardy v. Hoeffler*, 2007 WI App 264, 306 Wis. 2d 513, 743 N.W.2d 843, 06-2861.

County forest roads open to vehicular traffic are highways that can be designated as routes under sub. (8) (b). 77 Atty. Gen. 52.

Even if the primary purpose of designating short county highway segments as ATV routes is to allow a private organization to enhance its system of trails that benefit club members and their invitees, such designations will not violate the public purpose doctrine if no county resources are expended and no county expenditures occur as a result of those designations.
